

CHARLES A JONES MANUFACTURING PROGRAM GRADUATE

ANTHONY PAYTON JOIN THE U.S. ARMY

One of Todd Frazee's last students at the Charles A Manufacturing Training Program is Anthony Payton, graduating at the end of August. Anthony was able to join the CAJ Manufacturing Program thanks to a workforce development grant from the [City of Rancho Cordova](#). Anthony's capstone project is the metals storage rack pictured in the photo. Pictured in the image, left to right is Craig Todd, Charles A Jones adjunct manufacturing instructor, Anthony Payton, [Tim Schaefer](#) of the Metalworking Education Academy, and [Todd Frazee](#), lead manufacturing instructor at Charles A. Jones.

Anthony has decided that he wants to join the US Army as an engineer. Showing an unwavering commitment to his goals [Sacramento Valley Manufacturing Alliance -SVMA](#) wishes Anthony all the best in his new career serving the USA!
