

TECHNOLOGY AND ENGINEERING CAREER FAIR AND OPEN HOUSE

THU 11/21/24 - 6:00PM-8:00PM
LOCATION SCC LUSK CENTER

In collaboration with Engineering Design Technology, Surveying, and Engineering Programs, join us for an expansive showcase of career opportunities and education pathways in the fields of HVAC/R, Industrial Trades, Engineering, Surveying, and Engineering Design Technology. This event is the perfect venue for current students, prospective students, and alumni to connect with industry leaders, explore innovative technologies, and kickstart their careers in the booming tech and engineering sectors.
